Hello i'm Andrian Raihannudin, i'm from 11 TKJ 3 SMKN 1 KAB. Tangerang. and I'm a junior software developer and UI/UX designer, I love Coding and Design because it makes myself more creative, yap i build this website for a manage school activity from absence to lecture to be more structured and easier.

Oh yeah btw I'm good at:
Web development (html, css, javascript, Reactjs, Nodejs),
Android development : (Android , Kotlin),
UI/UX : Figma

If you want to connected to me/build this website (designer or developer) let's contact me in my social media in a footer yeap , i wait your response, see you :)
